

BUSINESS OF THE MONTH

JDC's new premises gaining rave reviews from happy customers

JDC CERAMICS & BATHROOMS

When the council announced its shock decision to close Moor Lane Business Centre last year, JDC Ceramics & Bathrooms promised to find bigger and better premises for its customers – and the family-run firm has certainly delivered on that promise!

Its impressive new showroom on Victoria Road in Widnes town centre is '10 times better' than its previous home and has been gaining rave reviews from happy customers.

Considerably bigger, more stylish and boasting a larger shop front, more displays and fantastic new ranges, the owners are understandably delighted with JDC's new home and are now able to offer customers a better service than ever.

Jeff Chesters, who runs the business with his wife Jennie, said: "We are delighted with our new home. It's right on the main road near to Kingsway Leisure Centre and is 10 times better than our previous showroom at Moor Lane.

"The new showroom is now

complete, so come and check out our new premises and new displays and ranges, including an expanded range of tiles.

"We have been celebrating our 10-year anniversary at JDC – and our fantastic new home is the ideal anniversary present for both ourselves and our customers."

The family-run firm has gained a reputation for being the ultimate bathroom company over the past 10 years, with fantastic value for money and a prompt, reliable and professional service guaranteed.

The team offer the complete bathroom package, designing your new bathroom (using 3D virtual reality computer aided designs) to meet your specific requirements and then carrying out every aspect of the job. They also supply a wide range of bathrooms, bathroom products and bathroom, kitchen and conservatory floor tiles for those who wish to carry out work themselves or have someone else do it for them.

The team fit and supply bathroom suites – including wetrooms – and products (bathroom furniture, showers, mirrors, lighting etc) from

many top-quality suppliers, and some of the ranges you can only get exclusively from JDC as no other local firms have them and you can't get them on the internet.

All installations are carried out to a very high standard by highly experienced, time-served tradesmen using top-quality building materials.

JDC offers a fully written 12-month workmanship guarantee from the completion date of your new bathroom backed by the iKBBi, while most of its bathroom products carry at least a five-year manufacturer's fully supported guarantee.
